Dear Friends,

Holiday Clearing House 2009 has come and gone. It was a huge success thanks to the kindness of hundreds of donors and volunteers, like you.

The Holiday Clearing House 2009 program provided gifts, clothing, toys & food to 497 families with children (1,159) and delivered gifts & food to 172 senior/disabled homebound individuals. None of this could happen without your participation, compassion and giving from the heart.

The People In Need, Inc. agency is appreciative to you and your organization. We are overwhelmed by the kindness shown for your neighbors and friends.

Please know that we are eternally grateful for your help and look forward to working with you again.

In the Spirit of Sharing,

Lula Mae Downerd
